Dear Miss Gilpin;

Enclosed you will find sample card of cotton for
hand weaving.

Most of this material is in the natural shade, but
you will see that the first four articles are in colors, which
shows you that we dye any color which you may submit. No orders taken for
less than two pounds.

From the sample colors on the card you can obtain one
skein or more, later will send you sample cards of silks, woollens and rayon
also linen and other novelties which I get from time to time.

Very truly yours,

H. E. Gunter
