Dr. Arthur S. Riggs,
Washington, D.C.

My dear Dr. Riggs:-

Your judgement will be best as to which number of your magazine will be best for the pictures and article. I shall watch for it with interest of-course. May I trouble you for word of which issue it will be when you have decided? One of the local book stores has again inquired that they may order some extra copies, and I should like to place my order for a dozen.

I go back to the Mesa soon to finish the set of illustrations provided we are successful in getting costumes. Some day I hope you may see the entire play illustrated more profusely.

It will be interesting to hear what the Crown Prince of Sweden thinks of Mrs. Nusbaum's play. It is possible that I may be there at the time.

With best wishes to you, I am

Sincerely yours,
