Miss Laura Gilpin,
1215 Wood Avenue,
Colorado Springs, Colo.

My dear Miss Gilpin:

Many thanks for your kind letter of the 8th, and the copy of your "Pike's Peak Region," which I have enjoyed looking over already and am putting in my own library.

Your disappointment that we captioned your article with "Photographs by the Author", is rather amusing, because it presents a point of view I had never before encountered, and were we not so pressed for space, I should be tempted to make pleasant reference to it in our Notes and Comments. At some future time, I hope you will remember us again and assure you that on such an occasion, we will be glad to make the caption read "Article by the Photographer."

With all good wishes for the holidays and your personal welfare, I am,

Very sincerely yours,

Arthur Stanley Riggs
Director and Editor.
