Dear Laura;

Hope you haven't started for the Mesa
as yet as I have some work for you.

I have two (2) orders for

"SQUARE TOWER HOUSE #1".

Platinum prints, framed in the narrow
black frame like the one we have of "LAGUNA" and
send to;

MR. JOHN H. KANE,
BARTLESVILLE,
OKLAHOMA.

They are perfectly charming people and the
Vice-President of the Phillips Petroleum Co., and
as he only had a very large bill I did not collect
from him. I feel very sure that the check will be
forthcoming at once on receipt of the pictures.

If I remember rightly you said you wanted
~~ten dollars~~ for all ~~except~~ the one of Johnny and Jim
which was fifteen. Well, I charged fifteen dollars
for these, and thought you could send the difference
for the museum when they pay you.

They especially wanted you to attend to
the framing as they thought you knew best how it
should be done.

I have written him that I have sent the or-
der to you and I think he might appreciate a card as
to when you would send the prints.

If I am not right on the price let me know
and deduct the correct amount for yourself.
