My dear Miss Gilpin:-
I've meant
for a long time to write
you - but you under-
stand from your own
experience how intentions
are so slow of execution.
School is closed, though
the students still straggle
in for a bit of finishing
up. Our Exhibition
was very happily re-
ceived - I do wish you
could have seen it.

People whose judgment & value gave it very fine comment. We had such a nice social evening - a big crowd; I served fruit punch & cookies; and I wish you could have seen the many beautiful flowers sent me, which surely added to my happiness and certainly did wonders in brightening up appearances.

While my class was

small, they certainly worked with enthusiasm, & got results.

Miss Herrick is a fine type to have around & will be with me next year again. What I need & need badly is some one who can be here when the other instructors are not here, for studio practice & general aid. I am wondering - I am wishing very much that you might ^{arrange} to be here. There would

ious to complete our
new catalogue: I have
some registrations for
next year, & a promis-
ing number of inquiries.
I am planning to make
many improvements
in equipment & gen-
eral working facilities,
& do feel things are prom-
ising. C. J. is enthusi-
astic & can help in
many ways.

I was so sorry about

the aftermath of the
memorial exhibition,
but feel that every
thing is for the best.

Again let me thank
you for your many
kindnesses. I cannot
too sincerely express
my appreciation,

The twentieth of June,
the day Mr. White started
for Mexico, is almost

here again. Time certainly
goes on regardless.

I hope you have had
a happy winter. All
the family sends best
wishes.

Sincerely
Jane Felix White.
