

don't answer this - but I just
had to write -

Your Mother was such a
fine & splendid person,
that she will be greatly
missed by all of us in
town who have known &
loved her - and what it
will mean to you all dear
I cannot bear to think.

You will have many
precious memories that
will help -

Will you give my love
to your Father - with love

Dearest Laura -

I was shocked & grieved
beyond words to learn this
morning of your dear Mother's
death - You & your Father
have been in my mind
so constantly since, that I
felt that I must just
write a line to carry
my loving sympathy. Please

o kindest sympathy to you all -
Affectionately yours -

Ray.
