Sunday - Sept 4th -

My dearst Lanna, -

Thank you for your
dear little note, which was
forwarded to me here in Boston,
where I'm visiting my sister.

I left the week your Mother
went, so did not go to see
you, as I thought perhaps
you might not care to see
people for the first few days -

There is no one in the
town, who will be so missed

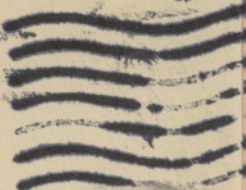

for all the good work as
your mother, and I don't
know how we'll get on without
her.

Shall probably be here
and in New York until about
the first of November, but as
soon as I return shall look
to see you -

Please remember me to your
Father, and with dearest love
to your self

Love
Affectionately yours
Jessie "Brij."
