

COLORADO SPRINGS, COLORADO
14 BEVERLEY PLACE

Dear Laura,

I am distressed
beyond words at hearing
of your mother's serious illness.
I shall not add to your
fatigue by telephoning -
I was then glad to hear this
a. m., a telegram that
conditions were somewhat
better -

With many many others
who love and admire

your Mother we are
waiting eagerly to hear
of her in the most -
aff -
