

COLORADO SPRINGS, COLORADO
14 BEVERLEY PLACE

Dear Laura,

There are many
people in Colorado Springs
to-day who are saddened
by the great sorrow wh. has
come to you. I never
realized, till now, how much
I cared about your Mother -
I do not believe there is
any other woman in Col. Springs
with as many friends.
I wish you could have heard

old Ennis outburst of
affection and admiration
she said "Mrs Gilpin is
the most generous woman!
If she had a million she
would give it all away!"
You must take some comfort
from knowing that so many
sorrow with you and yours -

I do believe dear Laura
that the souls of the righteous
are in the hands of the
Almighty Father who loves
them -

Aff - yours

Ellen T. Brinkley

My greetings to your father -
Sunday -
