Sept. 12

Dear Laura,

I was greatly shocked to
hear of your mother's death
- Aunt Laura wrote me
and then Marion -

The one time I saw her
since a child, which was
about four years ago when
Jack was in Colorado
Springs. I was so drawn
to her, and wanted very

much, to know her better—
And she was lovely to
Jack and Gladys—

My sympathy goes out to
you and to all your family—

This is a great loss to
Aunt Lenna, too, for she was
truly devoted to her—

With my love and very
real sympathy,

Sincerely

James P. Carpenter
