Aug. 27th

Dear Frank, Laura + Frances

It is hard to write
What I really feel for you
But I am thinking of you
Constantly & send my
love & deepest sympathy
Dear Emma I love her
very much, we all do.
everybody - So perhaps
can somewhat realize

from Dad + very hard
it is for you - I wish
I were there, so that I
might perhaps help in
some little way - It is
so very hard to realize
I feel so deeply for
you all -

Very much love
