

In the myself
Red Cross ^{work} seems to
have been — it was
that same personality
of your Mother which
inspired it all
& accomplished what
of it — Talway tried
to make her see it —

My love goes to
you all & I will
know the unfillable
void of the after
day — as always

Yours

Thursday —

[FOSTER DICKRIMONT]

Dear Lamma: —
As the days
pass I realize more
fully the place
your Mother held
in my heart —
In Livia her
more sure — she
was so much a
personality & lived
her — Always
remember too: —
where you credit
