

August 25-1929-

Dear Laura:

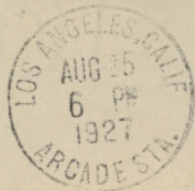

Old friends do mean so much - and you have always been among our dearest old friends - so now I am saddened because of your loss - and ours, and the Community's - You know, I am sure that you have my sincere and heartfelt sympathy - and that I wish there were a more adequate way of expressing it - your mother - with her brightness of vision, her charm and friendliness was loved by hosts of people - and gave so many constructive, splendid things to Colorado

Spring thru her efforts. It has been
a cherished privilege to have
worked with her in the Scouts, and
especially to have had her as a
friend. — Dear Aunt Emma — because
we shall all miss her so much —
we understand a little of your
loss — and wish that we could help —

Would you give my deepest
sympathy to your Dad and to
Francis?

Sincerely —

Agnie Donaldson —
