

Sunday morning
Aug. 21/927.

My dear Anna

It was one day
empty at such a time
and my heart goes to
you in great admiration
on the top of your
high water.

I love you so dearly
I want to know everything
about you and I hope
you will tell me
about things well soon

I want you to write me
any afternoon - and
replyed to Thomas and
John. We to be
restored to your friend
Sincerely, Wm. Adams.

be the same without being
and I feel have lost
one of my best and
dearest friends.
I am sure agree
that have seen so
little of my father but
I know she has not
well and have been
so occupied with illness
at home
I at any time will
in the future can
do anything for you
