

DONGAN HILLS
STATEN ISLAND, N. Y.

My dear Laura,

It has such a shock and
grief to me to hear of your
dear Mothers death. The
thought of all her loving
sympathy and endless
kindness to me. While Mr

more neighbors and the little
gatherings across the Peace
Hills, at Christmas have been
very precious. Her absence
will be a keen loss to your
little City - and these few
lines are only a message
of our love and deepest sympathy
to you all. affectionately
