

TWENTY-EIGHT WEST MONUMENT STREET
COLORADO SPRINGS, COLORADO

Dear Laura - We all feel
so terribly shocked & grieved
at the calamity which has
befallen your family, & not
only your family but the
whole community.

It seems too cruel to be
true. Poor dear little Laura
my heart aches for you, &
I wish there were something
I could do to help a little.
Grandmama wishes me to tell

you & your Father how
terribly she feels about it.
She is not able to write to
you now, but joins us
in deepest sympathy &
love.

Always affectionately your old
old friend Mary
[FOWLER]
