My dear Miss Gilpin -

I cannot begin to tell you how grieved I was at the news of your dear Mother's death - In my close association with her these past years, I have come to love and look up to her more than any one I know and it has been a great privilege to know her - Her ideals were so high and she was so fine I feel I have lost a wonderful friend -

I wish I could say something to comfort you and Mr. Gilpin and your brother ^{and} I know from experience just what you are going through and if I can be of any service to you in any way please call on me -

My prayers and thoughts are with you all at this time and I know God will comfort you, as he always gives us strength and courage to bear our burdens and sorrows - Believe me Sincerely your friend
