

August 23

CRAGMOR,
COLORADO SPRINGS.

Dear Laura:-

I want to express to you my very deep sympathy in your sorrow. The death of your mother will be felt keenly not only by her family and close friends, but by individuals like me who only saw her a few times and yet felt such a warmth of admiration and affection for her that I feel I have lost a close friend. Mother and Beauveau and I telephoned Dr. Hospital during her illness, and were so shocked and grieved

to learn of her death.

Please do not bother
to acknowledge this note.

Most sincerely, with
deep sympathy and sorrow,

Isabel M. MacLish
