 heart that you suffer -
 and the darkness that
 has settled about you -
 and I yearn to comfort
 you - I am in the great hall
 and that alone will tell
 you can never forget how
 beautiful your mother was
 to those of us - who lost the
 privilege to walk with her -

My dear Mrs. Gilpin:
 The Girl Scout Council
 has delegated me to see if
 it is possible to get a
 photograph of your dear
 mother - for the Scout house.
 We all feel her loss so
 keenly - and the meeting
 Monday was a sad one
 indeed - many felt
 the master hand at the
 helm - missing - but
 they have all pledged
 them selves to "carry on"
 because your mother would
 want us to -

many times in the five years I have
worked in Scouting I would have given
up - but for her - broad and tolerant
point of view, and there never will
be any one to take her place.

We want a photograph - to hang
over the fire place - in the
reception hall - with a caption
under - some thing like this
Mrs. Francis Gilpin or Mrs
Emily Gilpin - Founder of Girl Scouts
in Colorado Springs - ~~and~~ who gave
to all girls - a sublime faith in
in the goodness of life.

I am so hopeful that you
can let us have a photograph -

We can have it pressed at
the expense of the Council members.

A little later we are going
to found some suitable memorial
to your mother -

Personally I want to extend
to you who are left - my sincere

27
