Sauro dear -

Only two days
ago I had a
lovely letter from
your mother telling
me that she was
ill and saying
how lovely and
sweet you were to
write and that for
your sake she
was trying hard to

be good and to
stay in bed - and
this morning comes
the terrible news of
Aun going - Aun
caddened beyond
words - I took
Aun dear and
knowing how I
shall miss Aun, I
think of your love-
less and grief - It
is unbelievable that
she will not be here
when Aun comes back.

To Colorado Springs
in October - I wish
Aun was home being
I could do to help -
My dear -
With deepest sym-
pathy, and love to
you
Helen Page.

Your mother's letter
has so courageous
and with so little of
Aun's discomfort and
illness -
