My dear Miss Gilpin.

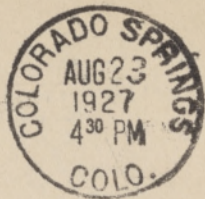

The paper this evening brought me such shocking news. I can hardly believe it, much less realize it, that your Mother has gone. I have a sense of real personal loss, even though I did not know her well. She was always so friendly & kind to me, & I appreciated it. I had no end of admiration for your Mother, she was a woman of unusual qualities and abilities, and those who knew her could not but admire & like

her. It must be a great satisfaction to you, who are left, that her life counted for so much and in such very worth while ways. She meant a good deal to the community, and her loss will be felt by many.

I extend my very real sympathy to you, and feel for you truly, especially since it is but a few months ago that my Mother left me.

May you find the strength & comfort that you need, & be thankful you have had her all these years.

Most sincerely
Sophie B. Parker.
