Dear Miss Lippin: -
I have just returned from
a few days out of town to find that
you lost your darling mother during
that time! It certainly was a sad experience
as I only wish I had been here perhaps
I could have helped you in some way -
My dear, while I realize you have lost your
greatest asset & truest friend there is not
a thing one can say or do to lessen your
deep sorrow and pain. I would say
or do anything if I could help to
ease you. We have always heard the most
beautiful things of your dear mother
tho' I did not know her personally,
yet you being such a good loyal
friend of Louis' I feel your loss
deeply. By Mr. Persinger & Louis
(if he knew) joins me in sending
you our true, heartfelt sympathy

Ref also to all your kind ones.
My I only wish I could try &
some material benefit to you -

If there's anything I can
do, just let me know, it would
sure be a happy privilege.
May God bless you and
comfort you -

Affly.
Censie E. Persinger
