My dear Laura.

I only
heard a few days ago from
Mr Putnam of the death
of your mother. It made
me sad to think she
was no longer with you,
and I write to express
to you and your father
my deepest sympathy.

Your mother died
just a few years ago,
and sister Harriet
about a month ago.

I think often of what
you have done in
your art and how
you have progressed,
I am happy from this
realization.

We send our best
thoughts to you.

Sincerely
Allu - (Simon)
