

1152 YORK STREET
DENVER, COLO.

Monday morning

Dearest, dearest Laura -

My heart goes out to you all in
love & deepest sympathy. I can't tell
you how grieved & shocked I am at the
sudden passing hence of your mother -
my dear old friend, always so ready
herself with sympathy - & affection
wherever there was trouble.

I know you are surrounded by old friends
& affection - but if there is anything
I can do for you, ask Betsy to telephone
me & I will go to you.

So much love to you dear.

Anne
