My dear Laura Only just talked
with Mr. Butler & heard of your dear
Mother's passing. I telephone Jim &
he will be, as I am, much distressed

Had I leave a message for him as
he was not in. He must be so proud
of your mother & find it hard to learn
she is not here. He send you our deepest
sympathy & will you extend this to
your father & mother. It is well that you
know
