

will approve the selection
Mr. Home & Mr. Martin
helped me select them.

And Miss Gilpin - I have
a man for whom
Clarence did some very
intimate things of
his family, & he would
like to buy the plates.
Of course I can recall
only one plate that
Clarence ever sold &
I am at a loss to know
what to charge. Can
you give me any idea?
Of course pictorial plates
I will not sell - but
these are of interest to
these men only, in
this most instances.
most my! so many

Dear Miss Gilpin:-
Mr. White's
prints are now in
San Diego, & I have
written them to forward
them to Mr. McMeekin
in Denver for the ^{month}
of March. Now I have
been thinking, that
should some of them
have been sold, &
the number depleted

more expense, & they
might not want
that. I do hope Mr.
McClellan will be
pleased - he has been
so very nice about
it.

All the prints I have
sent are originals. I
have sent a list of
names & prices, of
originals - and have
made a price of
\$25.00 on all duplicate
prints. I hope you

thereby (they may not
be, you know) if it
would not be advis-
able to fill out with
some of the prints
you have made?

What do you think?
Or - if there is time,
I might send on
a few additional
prints from here -
but of course that
would entail

puzzling things come²
up!

I do hope people will
enjoy the exhibition.
I have quite a few
friends in Denver,
& shall let them know
about it.

Two epistles from
me in as many
days! Thanks for
your forbearance.

Lovingly
Jane Felix Whit.
