

My dear Mr. Gilpin & Laura -

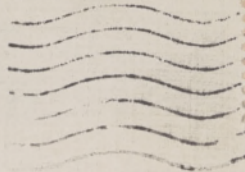

George & I want to tell you how deeply we feel for you all - in a loss that not only we, who were privileged to be her friends, but the whole town feels - She helped every one who knew her - not only in her readings & of actual help - but by the charm of her personality - & her wonderful indomitable spirit - We will all miss her so that I know what it means to her family - I am sorry we were too far to help you in any way - but we wanted you to know, that since Aunt Lila's letter came with the sad news - you have been most constantly in our thoughts & hearts -

With very sincere sympathy from
both George & me -

Ever Sincerely

Lucy Hayes Young -
