Colorado Springs, Colorado.

Dear Miss Gilpin:

Referring to your recent letter:

If you will forward us another sample portfolio with prices we will send same to our manager at Santa Fe and ascertain the possibility of handling these photogravure prints at that point. We will also consider them for Albuquerque and Gallup.

We are sorry to report that we have not had much success with the sale of the Mesa Verde book, having on hand a considerable portion of the limited quantity ordered.

Yours very truly
