Colorado Springs, Colo.

Dear Miss Gilpin:

I would like to secure glossy prints of the following
photographs of the Denver Polo Club.

1. View from South East showing Garden Wall.
2. Detail of North Side showing two entrances with
tree in foreground.

These are by permission of Mr. Arthur Fisher and to be
used for advertising purposes.

I would appreciate it if you could get these up to me
sometime this week.

Yours very truly,

G. E. Broyles
