Miss Laura Gilpin,
317 Cheyenne Rd.,
Colorado Springs, Colo.

Dear Miss Gilpin:

I really believe I owe you an apology for not answering your letter dated November 26th, but the fact is I have been so extremely busy with things that need my immediate attention that club matters had to take a back seat temporarily. Having now gotten over successfully the Christmas rush and the subsequent job of invoicing, I am ready to catch up on belated correspondence.

I want an exhibit from you if you can arrange it for the entire month of June, with possibly the privilege of sending it to the Portage Camera Club at Akron, Ohio, in July, or possibly they can arrange to hang the exhibit on their walls in June and we will display it in July and return it to you promptly the first of August.

We can accommodate easily 50 prints and would appreciate indeed a word from you within a short time as to these two months. We would be glad to pay transportation charges both ways and can assure you that the pictures will be taken excellent care of. Again asking your pardon for this unseemly delay and trusting to receive your O. K. on these two months within a day or two, I am

Very sincerely yours,

THE CLEVELAND PHOTOGRAPHIC SOCIETY
