Miss Laura Gilpin,
Colorado Springs, Colorado.

Dear Miss Gilpin:

We should like to specially express to you our appreciation for your support of our Fifth International Exhibit which closed on October 7. Your three prints and the similar contributions of sixty-eight other workers enabled us to present an exhibit which we feel, and it is a belief generally expressed, was the finest which we have yet presented.

The attendance during the exhibit totaled 24483 and to show the increasing interest which was developed we refer to the attendance on the four Sundays during which the exhibit was open:

Sunday -	September 16	2002
"	September 23	4283
"	September 30	6340
"	October 7	6750
Intervening Week Days		5108
Total Attendance		24483

A quite long review of the Exhibit appeared in the San Francisco Chronicle on September 23, 1928. Besides this notice the clipping bureau reports fourteen other references.

Catalog has already been sent to you. Please advise us if it was not received. Your prints have been returned and we trust have been received in good order.

Faithfully yours,

Director
