Miss Laura Gilpin,
1215 Wood Avenue
Colorado Springs, Colo.

Dear Miss Gilpin:

This is to advise that I have today forwarded to Mr. C. W. Frankenberger, Fort Dearborn Camera Club, 537 S. Dearborn St., Chicago, your exhibit which has been hung in our club rooms during this month. We assure you that your exhibit was greatly appreciated and was carefully hung under glass. Your pictures are indeed very interesting and there was such a nice variety. The Art Critic of the Akron Sunday Times devoted a column in the paper to the exhibit which I turned over to Mr. Hartman to be forwarded to you. Mrs. Griner, the Critic, was very much impressed with your work and came up twice to see it.

Again thanking you, and inviting you to visit us when in the vicinity of Akron, I am,

Yours very truly,

PORTAGE CAMERA CLUB

H. P. Herron

President.

P.S. I might mention that the exhibit came to us from the Cleveland Club in excellent condition, there being sixty five pictures.
