Dear Madam:

We have today forwarded by prepaid express your portfolio of sixty-five prints to Miss Williams of the Kodak Park Camera Club as requested in your letter of September 8, and we hope that it will arrive promptly without damage.

We have thoroughly enjoyed viewing your prints, and wish to thank you again for the privilege of displaying them. On a separate sheet we are enclosing a summary of the comments upon them at our last meeting.

Very truly yours,

FORT DEARBORN CAMERA CLUB
