Miss Laura Gilpin, Sept.,
317-Cheyenne Rd., 24th,
Colorado Springs, Co. 1928.

My dear Miss Gilpin:

You have, no doubt, already
received the entry blank to our
Twelfth International Salon.

We are looking forward to re-
ceiving your prints as you have al-
ways supported our Salon, so heartily.
It looks now as though this was going
to be one of the biggest exhibitions
we have sponsored. The inquiries for
blanks and particulars are arriving
earlier and in larger numbers than
ever before, so far in advance of our
opening date.

As an Associate Member, are there
any Pictorialists, or friends, to whom
you would like us to mail entry blanks?
If so we would be only too pleased to
do so.

We remain with the best of wishes
for your continued success.

Yours most truly,

Clark W. Thomas
Secretary.
