Colorado Springs, Colo.

Dear Miss Gilpin:

Your prints came from the Fort Dearborn Camera Club in fairly good condition. We noticed that a few mounts were bent and three of the prints were detached from the mounts. The last we have attended to and shall try to see that there is no more damage done to the mounts.

They are being exhibited at our Main Office now. Next week they will go down to Kodak Park for exhibition. They will be sent to you at Colorado Springs by prepaid express with a declared value of \$500, the last of this month, unless you give us other instructions.

It is many a day since we have had such a uniformly interesting group of prints and we greatly appreciate your courtesy in giving us the privilege of seeing them.

With best wishes for your continued success,
I am

Very truly yours,

Helen S. Williams
