My dear Miss Gilpin:

At Dr. Putnam's request you made a photograph
last spring of the daguerreotype of Daniel Webster which
hangs in the Round Table Room at the Library of Congress.
If this photograph has been developed and is ready for us we
shall be very glad to receive it, together with your bill.

Very truly yours,

Linn R. Blanchard,
Chief, Division of Acquisitions.

Miss Laura Gilpin,
10 West Dale St.,
Colorado City,
Colorado.
