My dear Miss Giepen,
I hunted up Miss
Edith Lewis to-day - she
who lives with Miss
Cather - and found the
latter had been called
to California by her mother's
illness and Miss Lewis
seemed to think it might
be some time before she

would return. You seem
to have had luck in mis-
sing her. I really feel it is
too bad that you shouldn't
have got the illustrations
job for I think the thing
you've done, unusual
and very interesting. I was
very glad to have you come
in to see me. I go out of
town on Sunday for a week
& then (probably) to Charleston.
but I hope you will hunt
me up again some day.
Best wishes from Alice Boughton
