Dear Miss Power:

Your letter of May 2 has been received. I would be pleased to send you a suitable print of the "Narcissus" for reproduction in your magazine and the price of this would be \$10.00. I have a number of other things that I think might interest you and if you desire, would be pleased to send them on for your selection.

For the past two years I have been doing all the photography for the architectural firm of W. E. and A. A. Fisher of Denver. If it meets with their approval, would you be interested in reproducing some of the fine work that is being done in this region?
