Miss Alice Mary Kimball
46 King Street
New York City, N.Y.

Dear Miss Kimball:

The photographs of the Scouts are progressing but I have been retarded by the fact that I could only get hold of the children on Saturdays. I hope, however, to have the lot done for you so that they will reach you by the 15th or 16th. I am very much enjoying this work and hope that you will like the results.

LG*MB

Sincerely yours,
