Miss Laura Gilpin,
Colorado Springs,
Colorado.

My dear Miss Gilpin,

It is getting near the time to start the first issue of *Light and Shade* and of course have the *Haz* article in mind.

Did you write to Fraprie and if so does he expect to publish it? I rather think not. In that event I would like to get something for our first number of the fall. I feel that we should not let it pass so would like to hear from you very soon. If you do not care to be the author of the article please write me a letter from which I can use extracts. I would however prefer having you write the complete article.

Looking forward to hearing from you in the near future, I am hastily,

Yours very truly

Ira W. Martin
