Miss Laura Gilpin,
356--22nd Ave.,
New York, N. Y.

Dear Miss Gilpin;

We are enclosing check for \$150.00 to apply on the account. At present we have some heavy obligations to meet, hence cannot mail check in full.

We called up Mr. Ewing regarding the photos you mailed to the Gazette. These as you know have never been received. Mr. Ewing suggested that you send tracer from that end, as it would give better service.

We shall be glad to have you attend to this at once as we are in urgent need of them.

Very truly yours,

Glockner Sanatorium

Sister Mary Regina
Superintendent.
