Dear Miss Gilpin:

Our insurance company is trying to work out a plan to giving credit in the Liability and Property Damage rates for those of its policyholders who are careful in driving. In order to get this credit for you, we would like to have answers to the following questions:

1. How long have you been driving an automobile?
2. Have you had an accident involving injury to persons or damage to property within the past two years? If so, kindly give us the circumstances as to whether you or the other party was at fault.
3. How much was paid in the settlement of such damage claims, if any?
4. Have you been asked to appear in court for any reason? If so, what?
- 5/ Do you make it a practice to have your breaks inspected? If so, how often.

Thanking you very much for your attention to this matter, we are

Respectfully yours,
