Dear Miss Gilpin:

I have read your message in American Photography re - Mr. Nicholas Haz. I am glad some one had the stamina to speak up. Without going into detail, I commend your reply.

I am informed that the jury to select the Rochester, N. Y. salon, was to be W. A. Alcock of New York, J. H. MacKay of Toronto, and Mr. Haz, but I hear Mr. Haz has resigned that honor -- one reason given that he and Mr. Alcock are not good friends, but more especially on account of the position he has been placed by your article.

I think Mr. Martin handled the matter with dignity and tact. Mr. Martin, I feel, is the best possible man for the job, he holds for P.P.A.

With best wishes for the success of P.P.A., I am

Cordially yours,

O. C. REITER.
