Miss Laura Gilpin
Colorado Springs, Colorado

Dear Miss Gilpin:

While there is one of the proofs of the pictures of our niece Margaret Sercomb which we all like rather, we should like to get a photograph over which we can feel really enthusiastic, so we should like to have her try again when she is back in Colorado meantime having the plates of this lot kept in case the next try should not produce one we like better. It will be several months before Margaret will be in Colorado Springs as she is in New Mexico for the winter.

Very sincerely yours
