My dear Miss Gilpin:

Very sorry about any delay in acknowledging receipt of your splendid Photos.

Have been pressed for time. The University of Denver are to hold their dedication of the new Building on the eleventh. so I had to hustle to get the first part of my decorations out.

Now about the Photographs. I think you did an extremely fine lot of work and I know I was thrilled with many of them. consequently I am very proud to possess them.

I am enclosing check for \$30.00 and will send the remainder next month. Hoping you are having a good time and have recovered from your indisposition.

I am Sincerely

John E Thompson

P.S. Am keeping all the Photos.
