Dear Miss Gilpin:

We are sorry that we cannot fit into our schedules at present the enclosed photographs which you were good enough to submit. The Editor especially asks me to thank you for sending them. She particularly likes "Apple Blossoms."

A check will go to you next week for your photograph "Narcissus" which is to be used in the August issue.

We are looking forward to seeing some of your prints of Mr. Fisher's houses.

Very truly yours,

Suzanne H. Wardwell
