Dear Madam:-

Your exquisite portfolio of prints reached us in due time and in good order and I wish to thank you personally and in behalf of the members of our Club for your contribution toward the success and beauty of our exhibit.

This is the first exhibit of Pictorial Photography ever held in this city and has created much favorable comment and a greater appreciation of Photography as a medium of artistic expression.

We have been requested by the Director of the Art Institute to arrange for a larger exhibit next year and we trust that we may again have the privilege of having one of your portfolios of prints.

Please advise me before the end of June what disposition you wish made of your portfolio in order that there will be no delay in forwarding.

Again thanking you for your kindness, I am,

Very truly yours,

F. A. Reager
