Dear Miss Gilpin:-

Your prints were shipped, as per your directions,
to Earl F. Young, The Reading Camera Club, 301
Washington St., Reading, Pa. Friday, March 28th in
good order. We greatly appreciate the privilege
of viewing them and are glad the Reading Club
will have the same opportunity.

I think the exhibition of such work will do
more to advance Pictorial Photography than anything
else and you who are so generously contributing
your work to that purpose are certainly entitled to
a unanimous vote of thanks from all of us who
are trying to follow.

Sincerely yours

Frank G. Wood
