Dear Mr. Levy:-

Your letter regarding your new gallery reached me two days ago and interests me very much. I wish you great success with your enterprise.

In the course of the next week or ten days I will be glad to send you six prints, which I hope will interest you.

I would be glad to receive notices of the exhibitions you hold, and hope that I may interest several people in your gallery. I only wish I were in New York to see your present exhibition.

Very truly yours,
