Saturday

MS

Dear Miss Gilpin -

Yesterday I finished
the additional pages to the Grace Church
book & so am ready for yours
when they are ready for me. If they
are not ready yet I shall begin some
other things the first of the week - but

will fit at yours as soon as you want
them - I should like particularly to
finish the one that is begun & which
has two or three small corrections to be
made - Did I tell you my Mother
found for me the paper or something
very much like it, that was used in
the church book & which I remember
you liked - Sorry to hear you have
had a cold - Don't bother about this if
you need to rest - Sincerely Maude E. Hulbert
